

## **Driver – Tri-Axle in Pleasant Gap**

### **Job Summary:**

This position is responsible for the safe, efficient, economical movement of material from one location to another, potentially year-round, as needed. Responsible for keeping GOH equipment in clean, serviceable condition, performing manual labor as assigned. This hourly, non-exempt position will work with indirect supervision.

### **Essential Functions:**

- \* Operate tri-axle dump truck safely and efficiently on public highways and in off-road situations to deliver asphalt or aggregate material into asphalt paver, widener, stone box, storage bins or onto stockpiles.
- \* Report all equipment malfunctions to maintenance staff.
- \* Perform required administrative duties.
- \* Perform manual labor such as shovel material.
- \* Meet performance and technical standards required to qualify for Tri-axle Driver 1 entry position.
- \* Exercise proper care and maintenance of company equipment.
- \* Frequently work more than 40 hours per week and non-traditional hours including night shift, Saturdays and occasionally Sundays.
- \* Perform additional assignments per supervisor's direction.

### **Knowledge of:**

- \* State and Federal regulations regarding vehicle weights, rules of the road and hours of service.
- \* Local, state and federal traffic laws.
- \* Heavy trucks.
- \* Mechanical concepts.

### **Ability to:**

- \* Learn and follow GOH company policies and procedures.
- \* Properly and neatly maintain logbook according to Federal DOT requirements.
- \* Properly and neatly complete required GOH paperwork.

### **Qualifications:**

- \* Must possess minimum valid Class B PA Commercial Driver's License for the state in which you reside with no air brake restrictions.
- \* Prefer valid Class A Commercial Driver's License for the state in which you reside with tank and hazmat endorsements.
- \* Must meet company minimum standards for CDL drivers.
- \* Must obtain and maintain a current Medical Examiner's Certificate as stated in 49 CFR 391.43(h).

### **Education:**

- \* High School Diploma or equivalent preferred.

### **Experience:**

- \* Minimum of 3 years of verifiable experience in a like-CDL vehicle required.

### **Required Training:**

- \* Annual Driver Training

\* MSHA (if applicable)

**Physical Requirements:**

- \* Constant (67-100%) - Ability to wear required personal protective equipment.
- \* Constant (67-100%) - Ability to sit/drive/travel for extended periods of time.
- \* Constant (67-100%) - Ability to shift gears.
- \* Frequently (34-66%) - Ability to work in a shop or field environment with exposure to dust, fumes, noise, vibrations, extreme/inclement weather conditions and a variety of petroleum products.
- \* Occasionally (0-33%) - Ability to safely climb up the bed ladder and on trucks.
- \* Occasionally (0-33%) - Must be able to lift/carry 50 pounds.
- \* Occasionally (0-33%) - Ability to walk and work on uneven terrain.
- \* Occasionally (0-33%) - Ability to see and work with a minimum amount of light on night shift operations.
- \* Occasionally (0-33%) - Ability to shovel and use other tools.
- \* Occasionally (0-33%) - Ability to push a maximum force of 83 pounds.
- \* Occasionally (0-33%) - Ability to pull a maximum force of 155 pounds.

The specific statements shown in each section of this description are not intended to be all-inclusive. They represent typical elements and criteria considered necessary to perform the job successfully.
